Lecture and visit to the fair

Thermoflor is organising a lecture at the Euro Attractions Show in the RAI Exhibition and Convention Centre in Amsterdam on the day before the inspirational tour of garden centres. Two speakers from the leisure industry will inform you about developments in the fields of leisure and hospitality and the opportunities they imply for retailers. As Thermoflor's guest you may attend the lecture free of charge while enjoying the opportunity to visit this fair, the largest Attractions Show in Europe.

Inspirational tour

We will take you on a tour of three inspiring places to show you the latest developments in the leisure and hospitality industries:

- The **Duiven** branch of the Dutch **Intratuin** chain of garden centres: 26,000 m² of inspiration including a new restaurant with seating for 1000 visitors and an indoor/outdoor playground measuring 1000 m².
- **Inspirium Centre Breda**: the next step in hospitality - trendsetting catering design.
- **Coppelmans in Nuenen**: a completely new garden centre and restaurant incorporating lots of wooden elements.
